Personal support

At our company, you will not simply be passed on to someone else. Your personal contact will support you in all topics and pool the competence of colleagues abroad or of lawyers from other specialist fields. Quickly, professionally and unbureaucratically.

Local and global orientation

We are convinced that local expertise and global reach do not contradict one another. In this regard, we see ourselves as an international network with German roots. It goes without saying that our lawyers speak both German and English, as well as the respective local language.

We understand each other That saves you time

We want you to be successful and achieve your goals. For us, excellent services are creative, pragmatic and commercially expedient results that are tailored to your requirements and that help you to move forward.

Excellent services

Outstanding specialist legal expertise is not enough for us. We want you to be successful and achieve your goals. For us, excellent services are creative, pragmatic and commercially expedient results that are tailored to your requirements and that help you to move forward. Our experts undergo continuous further training and develop new ideas and approaches for solving a problem. We thus keep an eye on all entrepreneurial hurdles and stumbling blocks for you.

Specialisation and teamwork

Our lawyers, with offices in Madrid, Bilbao, Denia, Palma de Majorca and Valencia, are both specialists and team players. The two are not mutually exclusive. They are experts in their respective specialist fields and able to compile the best team for your specific task – across disciplines and national borders.

Professionalism and integrity

Our dealings with one another and our clients are defined by professionalism, integrity and trust.

Wherever you want to go,
we speak your language.

Lozano Schindhelm specializes in international legal and tax consulting. We advise medium-sized and large companies as well as private clients legally and fiscally with one-stop shop solutions, in your language and tailored to your needs. In addition, our international network of the Schindhelm Allianz is at your disposal at 32 locations in 14 countries. Throughout Spain and with the guarantee of **20 years** as a benchmark in international legal and tax advice in Spain.

Seeing details, understanding the big picture

The matters our clients retain us for cover all aspects of business law. To meet this challenge we have created practice groups with experienced specialists in each particular field. Close cooperation between groups of experts across different offices and nations allows us to offer a unique combination of specialist skills and teamwork that characterises the high quality of our work. Thus you have access to the accumulated knowledge of our firm and our members of the international Schindhelm alliance all around the world in 32 offices.
